Come for the hydrangeas, stay for the specular sunset! This Cape Cod Bay garden boasts many garden beds which have been nurtured by the work of a newer, ‘accidental’, gardener. The grounds contain a vibrant mixture of hundreds of perennials, annuals, shrubs, trees and, over 140 hydrangeas representing more than 20 varieties across the color spectrum - blue, pink, white, red, and purple. Sit by the pool and enjoy the serenity of a 180-degree view of the entirety of Cape Cod Bay. Take pictures or have a glass of wine or beer, along with a snack offered for sale by the Village Garden Club of Dennis. ***Cash Only Bar.**

**All proceeds to benefit VGCD Initiatives.*

Garden tours are \$5 per person per garden. Pay cash at each garden on the day of the garden tour. Except for the July 8th sunset garden, each garden is open from 10 am to 4 pm only on the days specified. All garden tours are rain or shine and nonrefundable.
